After consultation with the grant review committee, both applications were supported by the Crime Prevention Foundation of Brown County (herein after the "*Foundation*"). Sheriff Delain to assist with the grant application on behalf of the *Foundation* as the authorizing agent for these programs. Judge Hock inquires how much the Foundation issued in 2020? Sheriff Delain states approximately \$24,500. County Executive Streckenbach inquires if funds can be allocated to the *Foundation* without a new application? Sheriff Delain feels a grant application from the *Foundation* would provide better accountability of the funds.

B) New Pending Grant Applications:

1. Security Lighting in Navarino Park: District Attorney Lasee would support this request but states it would need sponsorship from the *Foundation* or a law enforcement agency. Sheriff Delain to discuss with the Green Bay Police Department with submission of new grant application. Motion by County

Executive Streckenbach and seconded by State Public Defender Jeff Cano to table for sponsorship by qualifying agent. **Motion carried unanimously.**

2. Slow Down Kids Playing Signs (2020): Sheriff Delain states the signs are helpful with speeding complaints in neighborhoods, near parks and by schools.
